

SUSTAINABILITY IN VOCATIONAL EDUCATION

Learning Teaching Training Activity in Brakel -
Germany

24-28 October 2022

Co-funded by the
Erasmus+ Programme
of the European Union

BIODIVERSITY IN SCHOOLS

School Forest Program (LEAF - Learning About forests)

- ▶ Cooperation with Turkish Ministry of Education, FEE (International Foundation for Environmental Education) and TURCEV (Turkish Environmental Education Association)

Aims

- ▶ Teaching students about forests and forest cycles
- ▶ Planting different trees in school gardens

Co-funded by the
Erasmus+ Programme
of the European Union

Eco-Schools

All levels of education

Aims:

- Teaching students about biodiversity, composting, water, environment, pollution

Activities:

- Action plans
- Field Trips
- Local and national Activities

Co-funded by the
Erasmus+ Programme
of the European Union

School Pets Project

All schools are encouraged to have pets
in school gardens and/or classes

Aims:

- Teaching responsibility
- Boosting bonds
- Environmental education

Co-funded by the
Erasmus+ Programme
of the European Union

What do we do

Composting:

- All students are encouraged to reuse and compost their compostable waste
- Using fruit skins as fertilizer for the school trees by burying them under the trees
- Creating compost stations in school canteens
- Action plan created

Co-funded by the
Erasmus+ Programme
of the European Union

What do we do

Field trips

- All levels of education
- Field trips to the local forests/agricultural areas/national parks to teach students about biodiversity, endemic plants and animals

Co-funded by the
Erasmus+ Programme
of the European Union

What do we do

School gardens

- Planting endemic and local trees/plants in school gardens
- Vegetable gardens

Co-funded by the
Erasmus+ Programme
of the European Union

What do we do

Environmental education

Monthly workshops with different experts

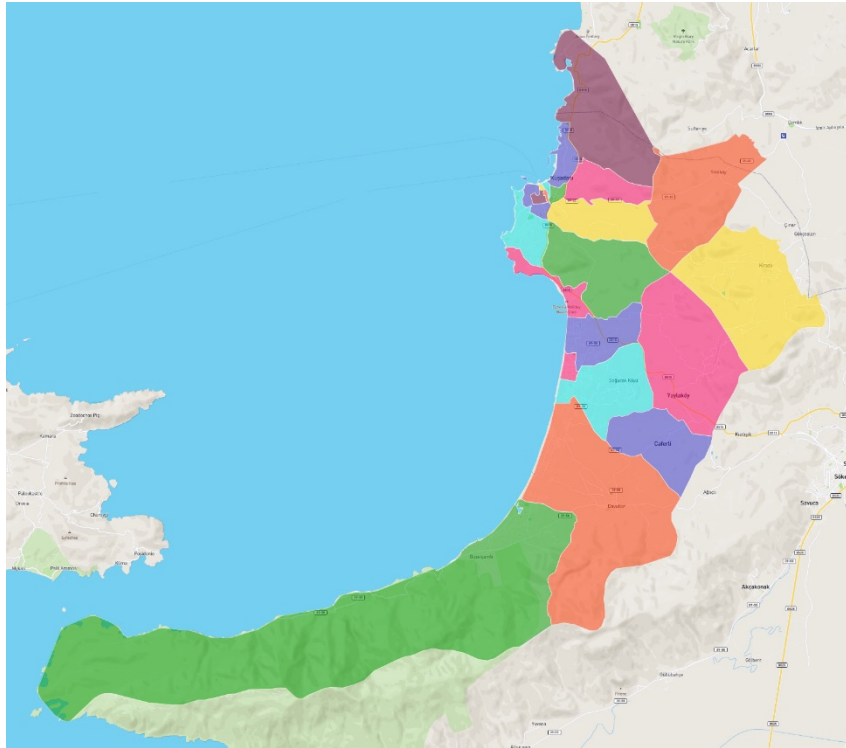

Co-funded by the
Erasmus+ Programme
of the European Union

SUSTAINABLE TRAVEL

ADRESS BASED ENROLLMENT SYSTEM

- Since 2018, students are automatically enrolled to the schools closest to their homes

Co-funded by the
Erasmus+ Programme
of the European Union

SUSTAINABLE TRAVEL

- Students are encouraged to come to school by bicycles or public transport
- Teachers have car sharing arrangements
- School trips are mainly done by public transport and especially trains if available

Co-funded by the
Erasmus+ Programme
of the European Union

THANK YOU
